MEET THE OWNERS

Hi, we're Lauralee and Lee.

Welcome to the manifestation of our dream business, Tipple & Bean.

Lauralee is the heart and soul of Tipple & Bean, a girl with a passion for people and seasoned event coordinator with a penchant for hospitality that began at the tender age of 18 behind a cocktail bar. With a career spanning international events in Japan and the USA, Lauralee's expertise in creating unforgettable experiences is second to none. Her eye for class and style, honed over years of managing nightclubs and running her own events company, sets Tipple & Bean apart as the epitome of charming sophistication on wheels.

Meanwhile, Lee, the logistical maestro, ensures that every event runs seamlessly, from hitching the van with finesse to keeping the tipple flowing – a most imperative part of the job! Together, they are the driving force behind Tipple & Bean's success, turning a pandemic-inspired career pivot into a thriving business that has captured the hearts (and taste buds) of the Sunshine Coast community.

Tipple & Bean is more than just a pop-up bar; it's a dream realised in the face of adversity and fuelled by passion. The dedicated team of six staff – all RSA and Barista trained – are just as passionate as Lauralee and Lee about great service and delicious drinks. They're ready to help turn your event into an unforgettable experience.

So why wait? Dive into the rest of our services guide to discover how the Tipple & Bean team can bring the magic to your next gathering. Cheers to unforgettable moments, dreams come true and endless possibilities!

When you're ready to start planning your dream event together, Lauralee and Lee and the team look forward to hearing from you.

WHY CHOOSE TIPPLE & BEAN?
